

Dear: Friends in Christ.

I am very filled with enthusiasm to write this letter to you all. I am writing this letter to thank you for your support for many basic needs and wants.

On behalf of all children at Mother of Peace. I would want to thank you for your donations. If we talk about UK Charity board everyone ~~then~~ think that this is our parents. Firstly I would want to thank with support in Academic progress. For paying school fees, buying stuff like bags, bottles, socks and other goods that is not mentioned.

You are part of something bigger at Mother of Peace Community. May ^{god} ~~good~~ bless you and help you to keep the good works. We loves you all.

Yours

Daniel Tinastie Chitala.
